

2020 MEMBER OF THE YEAR

The Member of the Year is the most prestigious acknowledgment that Audi Club North America can bestow on one of its members. It is an honor given in memory of Darlene Lyndsley, Frank Beddor's assistant when Quattro Club USA was first formed in 1984. Darlene was a tireless organizer who ensured everyone was welcomed as an Audi enthusiast and club member.

The Member of the Year is an honor awarded each year at the Audi Club National Anniversary Event and was established to recognize members for their contributions, service and dedication to Audi Club North America.

The 2020 program is comprised of two parts:

- 1) Chapters are invited to select an individual who embodies the volunteer spirit of ACNA. These individuals will be recognized in an upcoming issue of *quattro* magazine and on the ACNA website. They will also receive a gift to thank them for their contributions.
- 2) All chapter award recipients will then be considered for the 2020 Member of the Year based on their volunteer dedication to Audi Club North America.

Only voting members of the club are eligible for nomination. The following guidelines are listed for submission of a Member of the Year candidate:

1. All chapter leaders should work with their Boards of Directors to select their Chapter 2020 awardee. Chapter leaders need to submit nomination forms by 5 pm Eastern Time on May 10, 2021 to admin@audiclubna.org. Each chapter's awardee will receive recognition with a memento and also be considered as a candidate for the Member of the Year.
2. No member shall submit his or her name as a nominee for this award. Current National Board of Directors are excluded from consideration for this award.
3. Nominees should be considered on the basis of their extraordinary contributions to ACNA, especially activities and contributions in 2020. Contributions may include membership recruitment, newsletters/web/social media communications, sponsor recruitment, national/chapter and educational activities including driver schools, teen clinics, autocrosses, winter schools, dealer relations, technical sessions, charity events, DIY, promoting ACNA raffle and acting as a true ambassador of ACNA.
4. The ACNA Board of Directors will select the 2020 Member of the Year from the submitted chapter nominations.
5. Nomination forms must be returned by May 10, 2021 to admin@audiclubna.org.

ACNA encourages every chapter to recognize special individuals who have made extraordinary efforts to benefit ACNA, its chapters and members. Our goal is to recognize and thank 31 extraordinary individuals for their service and contributions to the club.
